I believe these are the final versions, on all versions can you add the CDPH website for this site where it refers to the CDPH site for protection actions.

Hi Steve,

As of now we are! I'm still waiting on confirmation from GPRS, I will keep you updated on our planned start time.

Yes I can help with the letters. Did we get a final version approved?

Thanks,  
Rachel

Thanks Rachel,

Are we on for sampling tomorrow? I will be coming back from a job in Wisconsin and will join you a later in morning. Let me know what your planning.

Can you help me get the first batch of final data ready to ship out with a letter. I am on response Friday and will be in the office and can start getting them ready.
